

**THE FRUITS  
OF THE HOLY SPIRIT  
ARE KNOWN AS  
THE VIRTUES**

The Holy Spirit gives the members of the Church spiritual gifts to help them have faith and follow the Commandments of God. All Christians should know that the gifts given by the Holy Spirit. Gifts are given to those who believe in the true faith, and not to people who “do their own thing” or who believe in non-Christian things.

These gifts of the Holy Spirit are given to both the clergy and all the people who belong to the Church.

When we cooperate with the Holy Spirit in working to keep the Commandments, we say that the results are the “FRUITS.” In our lives these results or fruits are also known as:

**“THE VIRTUES.”**

A craft project is included with this lesson.

The teachers print out images illustrating each of the virtues (prior to the date of the lesson). After the virtues are explained and defined, the children find the corresponding image that illustrates each virtue and assemble a collage on posterboard.

Materials:

1 large tri-fold posterboard

glue tabs (These are small circles of glue-like double sided-tape that come on slick paper and are easily removed for use; they are available at craft stores and are an easy way for children to use “sticky stuff” without mess.)

print-outs of (royalty-free) pictures from the Internet
